Press Release

Deadly West Nile Virus Neutralized by Natural Black Elderberry Extract

BEITH DAGAN, ISRAEL. In vitro laboratory research at the Kimron Veterinary Institute shows that a uniquely standardized Black Elderberry extract (Sambucol) neutralizes the West Nile virus. Additional research may prove its protective effect against the virus in humans.

The West Nile virus is carried in birds and spread to humans by infected mosquitoes. Such was the cause of last year's deadly outbreak in the New York metropolitan area. The virus has now been detected in 12 states and U.S. health officials warn of its spread across the entire country.

There is no specific therapy or vaccine against West Nile virus. Signs of infection may include flu-like symptoms (fever, muscle weakness, headaches, stiff neck and confusion). In more severe cases, the virus may cause encephalitis (inflammation of the brain) or meningitis (inflammation of the lining of the brain and spinal cord) potentially resulting in permanent neurological damage and fatality.

Risk of infection is greatest when mosquitoes are most active (April

through October in most regions). Most vulnerable are the elderly or individuals with weak immune systems. The viruses is not, however, transferred from person to person.

In a recently published human clinical study, Sambucol Black Elderberry extract was shown to enhance immunity by stimulating increased production of certain white blood cells (cytokines). Study researchers concluded: "...in addition to its antiviral properties, Sambucol Elderberry Extract and its formulations activate the healthy immune system by increasing inflammatory cytokine production. Sambucol might therefore be beneficial to the immune system activation and in the inflammatory process in healthy individuals or in patients with various diseases."

The complete study is published in the European Cytokine Network (Volume 12, Issue 2, June 2001, pages 290-296.)

Sambucol was developed by world-renowned virologist, Dr. Madeleine Mumcuolgu, who produces the unique Black Elderberry extract in Israel. Sambucol products are sold in the

My Wonderful Experience With Black Elderberry

I have the utmost confidence in the remedies which God has provided, not only in His word, but also in nature.

A few year ago, my husband and I went to the Democratic Republic of Congo where we taught classes on health and simple natural remedies.

In order to gain entrance to the country, a "yellow fever" vaccination is required, which we declined, but were still allowed an entrance.

One of the great threats in Africa is getting bit by a malaria carrying mosquitoes. John and I were taking every precaution we new to avoid infection. We took Black Elderberry capsules, daily, along with others. I also carried an extract, as it was recommended if infection occurred.

I received a few bites, and decided to apply the extract externally for double protection. To my amazement, the following day the mosquito bite was barely noticeable. There was no itching or swelling which is typical for me.

After arriving home we found that we were malaria free, although others with whom we traveled were not so fortunate. What made the difference? I believe use of and faith in the remedies God has

A Deadly Taint is Movin' Through

A deadly taint is in the air,
can you see it anywhere?

The "evil midst" is moving through,
what happens when it reaches you?

Will your **health** sustain the blast,
of the taint of deaths nerve gas?

What if Anthrax' in the air?
Tell me, how will your health fare?

If you are exposed to "sneeze",
will in you provoke a wheeze?
a headache, fever or the flu?
immune system, what will it do?

Has it been strengthened from **above**,
or worldly pleasures that you love?

If worldly pleasure, you're in debt,
and there's no tellin' what you'll get.

Fifteen pricks? what will that do,
to stop smallpox from harming you?

Protect yourself, have you not heard?
that health is in God's Holy Word.

Believe me now and know 'tis true,
a deadly taint is movin' through.

Health Matters

and nutrition stores nationwide.

If **ever** there were a need to be conscientious about your health, the time is **NOW**.

A deadly taint is in the air, and is sweeping across the nation. Not one soul who breathes is exempt from exposure.

SARS could become an epidemic problem as it randomly spreads and the death toll rises. The threat of Anthrax has not altogether disappeared. Smallpox is alive and well. Mosquitoes carrying the deadly West Nile Virus can strike you in the privacy of your home, even while you sleep.

What will you do when the deadly taint reaches you? Are you prepared for such an event? Have you the remedy to sustain your health?

The Word of God is an important factor in the maintenance of health. Whether we know it or not, and whether we accept it, does not change the fact, that our life and health are sustained through Christ. Acts 17:28 says; "For in **him** we **live**, and **move**, and have our **being**..." Health is not obtained through a bottle or a pill.

In Matt. 4:4 we are told it is by God's word that we are to live; "...Man shall **not** live by bread alone, but by **every word** that proceedeth out of the mouth of **God**." Yes, we need to eat bread to live, but it is not bread **alone** that sustains life, but His word.

The Bible says in Prov 4:20 "My son, **attend to my words**; incline thine ear unto my sayings."

What are the words of the Lord?

Proverbs 4:22 "For they are **life** unto

those that find them, and **health to all their flesh**."

The words of God are **both** life and health. But it says health to "all their flesh". No parts are left out.

Would'nt you like to extend your life? Here's the key.

Prov 3:1-2 "My son, **forget not my law**; but let thine heart (mind) keep my commandments: For **length of days**, and **long life**, and peace, shall they add to thee."

Prov 3:7-8 "Be not wise in thine own eyes: **fear (reverence) the LORD**, and depart from evil. It shall be **health to thy navel**, and **marrow to thy bones**."

We are not wise enough to thwart off the potential dangers that are threatening our health. The medical establishment themselves are struggling unsuccessfully to come up with a cure. Your only **true** insurance against West Nile Virus, Anthrax, Smallpox and SARS is in obedience to God's Word. In Ex. 15:26, we are promised if we obey His words we will be spared the diseases of the land. In this verse are four specific conditions we must observe if we would enjoy good health.

"If thou wilt ¹diligently hearken to the voice of the LORD thy God, and wilt ²do that which is right in his sight, and wilt ³give ear to his commandments, and ⁴keep all his statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: for **I am the LORD that healeth thee**." Ex. 15:26

We all need this "blessed assurance", where the policy holder is our health care provider. Health
